Invitation and Call for Paper to  
**“The 9<sup>th</sup> International Conference on Multi-functional Materials and Application”**

Dear Colleagues,

We are going to organize “The 9<sup>th</sup> International Conference on Multi-functional Materials and Application” on 26-28 November 2015 in Suzhou University of Science and Technology, Suzhou, China. The detail information of the conference is shown in our official webpage: <http://www.ijpcs.org>.

In view of your reputation in the field of Chemistry, Physics, Materials Science and Engineering, Construction and Environmental Materials, I would like to invite you to participate in the conference, present and share your valuable research achievements to our participants.

**Conference Chairman:**

Prof. Youwei Dou, an Academician of the Chinese Academy of Sciences, Nanjing University, China)

**Conference Vice Chairman:**

Prof. Won-Chun Oh (Hanseon University, Korea)

**Conference Executive Chairman:**

Prof. Zhigang Chen (Suzhou University of Science and Technology, China)

**Conference Local Chairman:**

Prof. Won-Chun Oh (Hanseon University, Korea)

Prof. Jin Liu (Anhui University of Architecture, China)

Prof. Ding Ming (Hefei University, China)

Prof. Shin Mukai (Hokkaido University, Japan)

Prof. Ram Agarwal (AJC Editor Chief, India)

Dr. Chong-Hun Jung (Korea Atomic Energy Research Institute, Korea)

Prof. Mingxu Zhang (Anhui University of Science & Technology, China)

Prof. Masahiro TOYODA (Oita University, Japan)  
Prof. Chuyang Xu (Anhui University of Science & Technology, China)  
Prof. Cheol Gyu Kim (Hanbat National University, Korea)  
Prof. Heon-Chang Kim (Hoseo University, Korea)  
Prof. Saksit Chanthai (Khon Kaen University, Thailand)  
Prof. Zhaoqi Sun (Anhui University, China)  
Prof. Chen-Hao Wang (National Taiwan University of Science and Technology, Taiwan)  
Prof. Goutam Mukhopadhyay (B.C.D.A College of Pharmacy & Technology, India)  
Prof. WeiChang Hao (Beihang University, China)  
Prof. Changzhou Yuan (Anhui University of Technology, China)  
Prof. Zainal Arifin Ahmad (Universiti Sains, Malaysia)

**Conference Academic Chairman:**

Prof. Won-Chun Oh (Hanseong University, Korea)  
Prof. Xiangkang Meng (Nanjing University, China)  
Prof. Xiangyang Kong (Shanghai Jiaotong University, China)  
Prof. Yanlin Song (Institute of Chemistry, Chinese Academy of Sciences)

**Theme field of the conference:**

- ◆ Materials: preparation, basic principle and characterization;
- ◆ Catalytic materials and mechanism;
- ◆ Environmental friendly materials and applications;
- ◆ Advanced composites and applications;
- ◆ Advanced building functional materials;
- ◆ Nano-materials, sensors and applications;
- ◆ Materials related to biology, medical and human health;
- ◆ Photo-induced materials and applications;
- ◆ Others

**Submission of paper:**

**Deadline:** August 31, 2015

All manuscripts must be written in English.

Please submit your manuscript to the email

- ◆ Extended Abstract (1~2 pages) : [compelately@163.com](mailto:compelately@163.com); [dream909@126.com](mailto:dream909@126.com) (Lei Zhu, KOREA)
- ◆ AJC manuscript (Full paper) : [wc\\_oh@hanseo.ac.kr](mailto:wc_oh@hanseo.ac.kr) (Won-Chun Oh, KOREA)

**Template for submitting papers:** see attached file.

All papers will be reviewed and the selected papers will possibly be inserted in a regular issue of International **Journal of Multifunctional Materials and Photoscience** (<http://www.ijpcs.org>) and **Asian Journal of Chemistry** (require publication fee).

Finally, this conference will be organized with special invitation lectures, general research lectures and poster session for idea exchanges between delegations from worldwide. The main aim of this conference is to establish strong ties between scientists and scholars and possibly to establish any substantial collaborations in the future.

Best regards,

**Conference Organizing/Executive Chairman**

**Prof. Zhigang Chen**

Suzhou University of Science and Technology, China
